## 'FOUR' MIDABLE FORM AT DONINGTON!

**S**MOKIN JOE SYMONS, on-board his Bland Lion Express Yamaha R1, was in no mood to hang around for anyone at this NG Road Racing meeting at Donington Park.

Symons led just about all four of his races on the day from lights to flag despite quality opposition in the shape of Damien Fricker, Steve Lake, Justin Waite, Gary Teague and Jeff White.

They all had a go at beating Symonds but he was having one of those special days.

Sam Lowes took both the qualifier and the final on his Double Vision Racing Honda in the 125GP class.

Several riders challenged Sam including his twin brother Alex, Alec Gault on his Malaguti, Dan Moreton and Lee Costello, but Sam held his nerve and took the final with Gault second.

Luke Harvey took advantage of all the mayhem on the last lap to grab third ahead of Charlie Hall and Mike Edwards, who came from 16th on lap four to end lap six in fifth.
