Alex Gault: Malaguti's rising star

Up-and-coming racer Alex Gault will contest the 2005 British 125GP Championships on a Malaguti. Alex has signed a three-year contract with the Italian scooter and motorcycle manufacturer, and he will be riding one of only five Malaguti GP bikes in the world.

The UK distributor for Malaguti, EP Barrus, has supported Alex for the last few seasons and will be supporting him in a more substantial way this year, as title sponsor under the team name Barrus Malaguti.

Alex has a reputation for winning 'on the unusual'. He has competed with established teams in every formula in which he has raced and has won numerous championships using unproven machines. He may be only 14 years old but, in his short career, he has shown a high level of natural ability and commitment.

If you would like to support Alex, please contact Karen Williams at EP Barrus for details on 01869 363659, or e-mail karen.williams@barrus.co.uk
