SPEEDWAY: TWO riders who have booked their places in the World U-21 final will be lining up in a special meeting at Lynn's Norfolk Arena this evening (7.30pm).

Tai Woffinden (Rye House) and Lewis Bridger (Eastbourne) were among the qualifiers for the World U-21 semi-final at Rye House on Sunday. The meeting was won by former Lynn favourite Troy Batchelor, now with Swindon, with a 15-point maximum.

Tonight's Ashley Jones Memorial meeting sees a Young Lions team take on the Young Roos, with home riders Simon Lambert, Kozza Smith and John Oliver also involved.

■ Fans who want to go to the British GP at Cardiff should snap up their tickets now.

Nanette Parsons says: "We have 10 stadium tickets available at £34 each and just four seats left on the bus.

"If supporters wish to pay for the coach and ticket package the cost is £70; if it is just coach travel then the cost is £40. Anyone interested should contact me on 0777629190."

Moto-KL praised by ex-champion

THERE was a treat for young riders at the latest session of Moto-KL on Thursday, at the Norfolk Arena.

Popping in to see them was former champion Alex Gault, from Scotland, who was on his way to a motorcycling meeting at Snetterton.

Gault started mini moto racing at the age of 10 and won many championships before making the move to motorbikes. He's now in the Superstock 600 series, one of the support races alongside the British Superbikes.

Shan Tedder, co-ordinator of Moto-KL, explained: "One of his sponsors is MAG Sport and they also support us, so there was a nice

link and the opportunity came up with his trip to Snetterton. He was very impressed with our set-up and thought it was a fantastic project. He had a chat with the riders and then couldn't resist getting kitted out and having a go himself."

Thursday's session was for novice riders and the next date is Thursday, June 26 with the fourth round of the MHB Services League.

Moto-KL is open to young riders aged 11 to 17 and is sponsored by MAG Sport, Westcotec and MHB Services. For more info go to www.motokl.org.uk
